

DATA PROTECTION

Can you spot a breach?

Send it to everyone, no matter what they are subscribed to.

Everything is under control...

Have you prepared your presentation for Tuesday? It's kind of a big deal!

So bored of inputting this data, these details must have been in this pile for years...

Ummm! Just can't get this html quite right.

Great to meet you and I look forward to our next project.

Is it Friday yet?

5 days until we fly, paperwork done and processes in place.

How on earth did they get my details? Who are they?

Great that the acquisition is going ahead now we can use all of their customer base for our products.
