

FRANCHISE SERVICES

IPDP LAW

**Here when you
need us**

**If you're looking to expand
your existing business,
or start a new venture,
franchising can be an
exciting route to growth.**

Our specialist intellectual property team advises both franchisors and franchisees on the legal issues around setting up, running and protecting their business.

We help a wide range of organisations with their day-to-day commercial affairs. This includes helping franchisors and franchisees to protect, exploit and defend their commercial and intellectual property interests and assets.

Our team is supported by in-house experts in corporate, property, dispute resolution and employment matters.

Our advice is bespoke and tailored to your business. We'll discuss your requirements with you and provide a clear quote in advance for the work you require.

Our franchise expertise includes:

- *Drafting franchise agreements*
- *Drafting trademark licence agreements*
- *Negotiating and reviewing franchise agreements*
- *Advising on trademark strategy and assisting clients to file trademark applications in the UK and overseas*
- *Advising on copyright in the UK and overseas*
- *Advising on design protection in the UK and overseas*
- *Advising on patent protection in the UK and overseas*
- *Advising on the ownership of intellectual property rights and the impact of working with third parties*
- *Data protection legislation compliance advice*
- *Software and IT contract drafting and advice*

**Our vastly experienced team
will provide you with the
highest level of service**

If you'd like to discuss how our data protection specialists can help, please get in touch.

We have a range of fixed-fee solutions designed to offer a range of services from light touch support to completing the entire exercise.
